### **MUSIC INFORMATION**

Music may be on CD. Music should be recorded at medium volume. It is to your advantage to use a top quality CD to record your music. **Duplicate CDs must be available at the music table in case of lost or broken CDs.** A representative from your team (coach/director) must know exactly when to start the music and the music must be cued when it is brought to the music table. The representative with your music should report to the music table when your team is called on deck. The person responsible for bringing the CD to the music table is also responsible for inserting the CD into the player and pushing 'play' and 'stop' at the proper times during the routine. This person must stay at the music table throughout the team's performance, and at the end of the performance, take the CD away with them. All CDs should be labelled with the school team and coach/director name. Coaches/directors are strongly advised to create routines (mix music) that finish a few seconds under the time limit to ensure that the team does not go overtime. Judges' decisions on timing of total routine and music portion of routines are final.

**IMPORTANT: YOU ARE TO SUBMIT 2 COMPACT DISCS BY 16 NOVEMBER 2005. MUSIC RECEIVED THEREAFTER WILL BE DISQUALIFIED.**
